The diagram illustrates the evolution of BIM and CAD usage across seven categories (1-7) from 2017 to 2018. The categories are arranged vertically, and the evolution is shown by the sequence of numbers and labels (CAD, BIM) associated with each category over time.

- Category 1:** Starts with 1 in 2017, evolves to 3 in 2018, and then to 5 in 2018.
- Category 2:** Starts with 1 in 2017, evolves to 3 in 2018, and then to 5 in 2018.
- Category 3:** Starts with 1 in 2017, evolves to 3 in 2018, and then to 5 in 2018.
- Category 4:** Starts with 1 in 2017, evolves to 3 in 2018, and then to 5 in 2018.
- Category 5:** Starts with 1 in 2017, evolves to 3 in 2018, and then to 5 in 2018.
- Category 6:** Starts with 1 in 2017, evolves to 3 in 2018, and then to 5 in 2018.
- Category 7:** Starts with 1 in 2017, evolves to 3 in 2018, and then to 5 in 2018.

The diagram uses the following notation to represent the state of each category:

- 1:** Initial state (2017).
- 3:** Intermediate state (2018).
- 5:** Final state (2018).
- CAD:** Label indicating the use of CAD software.
- BIM:** Label indicating the use of BIM software.
